MAKING PASSIONATE DISCIPLES  
FOR CHRIST

CHRIST CHURCH  
PURLEY

## Christ Church Courses 2020

## THE VISION

In 2019 Christ Church was called by God to make as many new passionate disciples for Christ as there are here now – in other words **to double!**

The new Evangelism Strategy intends to help extend the Kingdom by sharing the Good News of the Gospel in Purley and beyond. There are 6 strands to the strategy:

**1. Personal witness** – increased confidence to tell our story

**2. Home engagement** – taking the opportunity to engage people where they are on prayer walks and invites to seasonal services

**3. Healing on the streets** – offering prayer ministry wherever we are and inviting people to be prayed for

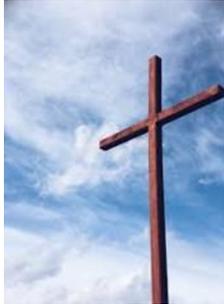

**4. Pre-evangelism activities** – providing opportunities to meet with members of our local community

**5. Evangelism courses and events** – Alpha and other means of exploring faith

**6. Pioneering** – seeking new ways to engage by worshipping in a new way, at a new time in a new place

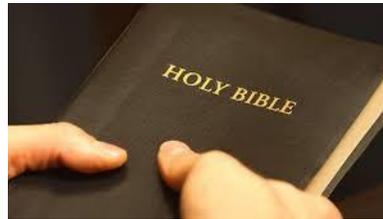

**All for his glory!**

**CHRIST CHURCH COURSES** is a new way to help equip and encourage all members of Christ Church to make sharing the gospel of Christ a natural part of every-day life.

**Witness workshop:** To provide the tools to recognise and develop our own story line with Jesus and to gain the confidence to share this witness with others.

**Key question?** “What difference has Jesus made in my life?”  
**Who is it for?** Everyone!

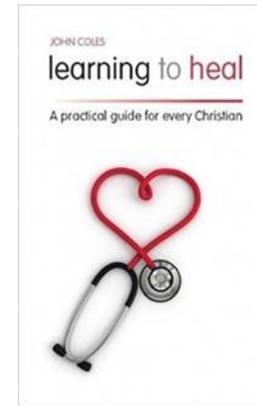

**Evangelism and apologetics:**

To equip those called to share the Gospel with others; using appropriate terms of engagement, language, message and answers for an evangelistic conversation. Including how to invite to events and how to continue a follow up conversation.

**Key question?** “What do you believe?”

**Who is it for?** Those with a calling to conversations on the doorstep.

## **Learning to heal:**

To equip those with a calling to prayer ministry with a model to pray for people for healing and wholeness. Will include a model to pray in everyday

conversations and also how to pray for people in our community as a “healing on the streets” initiative.

**Key question?** “Would you like me to pray for you?”

**Who is it for?** Those who feel called to prayer ministry and/or would like more confidence to pray for people outside of church.
